WAIVER OF IRP AND IFTA REQUIREMENTS FOR VERMONT DECLARATION OF EMERGENCY NOTICE

Due to the severe impact of Hurricane/Tropical Storm Irene on the State of Vermont, the Governor has declared a regional emergency pertaining to the loss of services including fuel deliveries as well as utility and highway infrastructure.

In conjunction with the emergency declaration effective at 7:00 A.M., August 29, 2011, Vermont will authorize a temporary waiver of IRP registration and IFTA requirements for the purpose of ensuring that essential emergency relief supplies reach the disaster areas in a timely manner. This pertains only to shippers and carriers of essential emergency relief supplies or providing restoration of utilities to severe weather impacted areas within Vermont. This waiver will expire contemporaneously with the Declaration of Emergency Notice.

Sincerely,

Robert Ide
Commissioner
